POST SCRIPTUM

DE CHRYSEIA

2021

THE WINE

Post Scriptum is a partner wine to Chryseia, drawn from the same vineyards. Its profile is similar, with expressive, fresh and concentrated fruit married to exquisite balance and elegance. Lighter oaked, it is ready to enjoy at a younger age.

VINTAGE OVERVIEW

Following a succession of very hot and dry years in the Douro, the 2021 growth cycle and harvest were some of the coolest in recent years. While large areas of Europe experienced extreme heat (with July being the hottest ever recorded in the continent), the Douro experienced an unusually cool summer with none of the heat waves that have become common in the region. Moderate conditions in 2021 encouraged slower, gradual maturations with balanced ripening, while the harvest itself was defined by three key periods of rain impacting our picking schedule. The remarkably cool nights contributed to excellent acidity and very good colour in the wines.

WINEMAKING

The grapes are sorted by hand before undergoing destemming and an automated berry selection process. They are then gently crushed before being transferred to the fermentation vats where they are inoculated with a specially selected yeast culture and fermented at 25C. During fermentation, the wines are gently macerated in order to produce an earlier drinking wine but with the ability to mature in bottle.

WINEMAKERS

Bruno Prats, Charles Symington, Pedro Correia and Miguel Bessa.
