## QUINTA DE RORIZ 2011 VINTAGE PORT

**P+S**

PRATS & SYMINGTON

QUINTA DE RORIZ

**Production: 350 cases (4,200 bottles - 75cl)**

In accordance with our policy to release Vintage Ports only in outstanding, 'classic' years, we are proud to announce the release of a 2011 Vintage Port from Quinta de Roriz.

This will be our first production of Quinta de Roriz Vintage Port under Prats & Symington's ownership of the historic Quinta which began in 2009.

Situated on the South bank of the River Douro between the villages of Pinhão and Tua, the Quinta forms a natural amphitheatre with a variety of exposures from West-facing to North-facing. The Quinta is planted with most of the classic Douro varietals including a dominant proportion of Touriga Franca (21%) and Touriga Nacional (28%), but there are also small plantings of more unusual varietals such as Sousão (2.3%) and the late ripening Tinta Francisca (8.6%). A peculiarity of the soils of the Quinta is the presence of tin and gold tailings from the old mine workings at the top of the estate, lending a distinctive minerality to the estate's Ports.

Just 4,200 bottles of 2011 Quinta de Roriz Vintage Port have been produced from grapes selected from particular parcels of mature vineyard at the Quinta.

QUINTA DE RORIZ LOOKING WEST

The varietal make-up is as follows:

- Touriga Nacional 42%
- Touriga Franca 28%
- Tinta Francisca 18%
- Sousão 12%

**Tasting Note:** The Quinta de Roriz 2011 Vintage Port has a powerful, floral nose with hints of tar and green tobacco. On the palate there is fresh blackberry and red plum, finishing with liquorice and mineral elements.

### Wine Specification:

Alcohol by volume: 20% v/v (20°C)

Total acidity: 4.10 (g/l)

Baumé: 3.50

Bottled in May 2013 without any fining or filtration
